

Electronic Offering

Making My Gift Easier to Give!

It is now possible for you to make your church offering via electronic transfer. Our church leadership recognizes that many of you enjoy the benefits of "on-line" and other automated forms of payment.

While we don't consider our offerings a "bill" they are financial commitments that could benefit from the convenience of automated banking services, and we are happy to accommodate you in this way.

Choose the option that works best for you. If you have any questions, please ask our financial secretary (*contact information here*).

I, (we) hereby authorize (*your church name*) to initiate debit entries to my (our) account indicated below and the financial institution named below to debit the same such account for my (our) financial support of the church. I (we) acknowledge that the origination of ACH transactions to my (our) account must comply with provisions of U.S. law.
