

*Everything comes from you; all we're doing is giving
back what we've been given from your generous hand.*

My Gift is Part of this Offering

Giving is an act of worship.

I give electronically as part of my regular practice of generosity. I place this card in the offering today as a visible sign of that gift and my participation in our shared ministry. With gratitude for all God has given, I offer what I have in support of God's work through this congregation.
